

Hello [Your Contact],

In support of Home Hospice Association (HHA) [www.homehospiceassociation.com](http://www.homehospiceassociation.com), I am participating in their annual fundraiser event, Moonlit Memory Walk 2020.

Something HHA has known all along but has just been brought to everyone's attention through COVID19, is that no one should die alone, hospice beds need to be where people call, "home", and grieving should never be done in isolation.

This year, I am walking for (fill in who you are walking for here) because... (you might use exactly what you wrote on your Tribute Page ).

HHA is very important to me because I believe in their programs that support the dying, their loved ones, and their pets. It's programs like (from the list below, select and insert here the name and description of ONE program that speaks to your heart) that has motivated me to participate in this important fundraiser.

Program list (select one or two)

- *Our Babies, Our Grief* which supports parents who have lost a baby, whether in utero or shortly after birth
- *Bello Project* which helps to care for the pets of those diagnosed with a life-limiting illness
- *C.A.N.D.Y. Café* which supports good mental health by helping young people, ages 10 – 18 understand dying, death, and grief
- *Death Doulas: Ensuring that Death Doulas are available to support the dying and their families wherever the death will occur.*
  
- *BEATAE MEMORIAE: which supports those who lost loved ones during COVID19 but were unable to be with them or properly memorialize them and those who cared for the dying during this pandemic*

My fundraising goal this year is \$\_\_\_\_. I appreciate any amount you can donate to help me reach my goal. Please keep in mind that HHA is a Canadian-registered charity that relies entirely on donations.

It would also mean a lot if you could share my fundraiser link on social media. The more exposure I get, the faster I will reach my fundraising goal and the more HHA will be able to expand the work they do.

Thank you so much!

Sincerely,
